| Team:             |                                                                                                                                                                                                                                                                                                                           |
| Class of Service: | Standard                                                                                                                                                                                                                                                                                                                  |

Description

Determine if there are any services or applications currently routed through the flo.zone or flo.mx domains. Confirm if flo.zone is just parked and if flo.mx only redirects to flosports.tv, or if there are additional routing configurations. Coordinate with the team to gain necessary access to domain management tools, such as GoDaddy, to proceed with related tasks.

*Issue created in Slack from a [message](#).*

Summary

Investigate the routing status of the flo.zone and [flo.mx](#) domains. Determine if they are currently in use or just parked.

Context

The goal is to find out if there are any services or applications routed through flo.zone or [flo.mx](#). Specifically, check if flo.zone is parked and if [flo.mx](#) only redirects to [flosports.tv](#).

Acceptance criteria

- Confirm the status of flo.zone (parked or in use).

- Verify if [flo.mx](#) only redirects to [flosports.tv](#).
- Identify any additional routing configurations for both domains.
- Coordinate with the team to access domain management tools, such as GoDaddy.

### Other information

This issue was created in Slack from a [message](#).

#### Comments

Comment by [David Cisarik](#) [ 16/May/25 ]

Investigating. Initial findings:

flo.zone is registered by us, but not in use.

1 domain

| <input checked="" type="checkbox"/> | Domain Name ↓            |     | Status | Expiration ↑                 | Ownership Date ↓ | Profile ↓                 | Forwarding ↓                   | A                  |
|-------------------------------------|--------------------------|-----|--------|------------------------------|------------------|---------------------------|--------------------------------|--------------------|
| <input type="checkbox"/>            | <a href="#">flo.zone</a> | ... | Active | <a href="#">Aug 24, 2025</a> | Aug 24, 2016     | <a href="#">FloSports</a> | <a href="#">Add Forwarding</a> | <a href="#">On</a> |

flo.mx redirects to <https://www.flosports.tv>
